

The decision of Sinclair Broadcasting to force their stations to air an anti-Kerry documentary days before the election is disgraceful and a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. This one-sided, biased documentary is violation of that obligation. Action needs to be taken to stop this violation

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. Thank you.
